## Why do we feel that investing in the community is so important?

We believe that if we put the time in to help our neighbors—through philanthropy, volunteering, or hard work—the rewards are tenfold. Together with numerous charitable organizations, we’re working to make this the kind of place we can call home.

# FIRST & YOUNGEST

Ricki Ruiz has not let his age or his circumstances stop him for reaching high. Ruiz grew up in a family that worked in the agricultural sector for over 25 years before retiring. He was the first member of his family to graduate from high school and later became the first to earn a bachelor's degree from Warner Pacific University. In 2017, Ricki Ruiz was elected as the youngest member of the Reynolds School Board of Directors. He was then elected to the Oregon House of Representatives in 2021, emerging as one of the youngest members in the chamber. Since his tenure in the legislature, Ruiz has served on various committees, including Education, Higher Education, Economic Development and Small Business, Human Services, and the Ways and Means Committee in Education. Get to know Ruiz on a personal level.

**Joy?** You bet ! As a fairly new dad, Ricki Ruiz finds joy in exploring new places. Some familiar places to him seem new through the eyes of his 3 year old daughter.

**Favorite place to go around Gresham?** Gresham Arts Plaza. Grab a folding chair and go to the Plaza on Monday nights. Music Mondays is the best place to be in the summer.

**Why does Ricki have a favorite nonprofit?** He will forever be a Snowcap supporter and fan. The organization fed him and his family growing up. He is committed to give back to Snowcap, an organization he considers to be great.

**Spare time?** As a dad, there isn't much of that. But when there is time, exercise, new hobby of pickleball, and reading are among his favorite activities. Then there is that vinyl record collecting he loves.

**Ricki, what is your favorite food and restaurant?** "All food is good food" was his response. He might have already memorized the menus for Gresham Burrito Shop and Heidi's.

**Outdoors?** Hiking is different with a 3 year old but still worth the effort especially in natural area across Oregon. Rain or shine, going on walks around Gresham with his family is on the top 5 list.

**If you are not in Gresham, where do you like to be?** Ricki loves Salem, specifically the State Capitol. He gets special joy welcoming Gresham residents to their capitol.

**Where might you spot Ricki?** Enjoying the splash pads in the Gresham Arts Plaza and Downtown Rockwood, shopping at Foxtrot Vintage, enjoying the view from Hogan Butte Nature Park, and choosing fresh fruit and vegetables from the Farmers Market.

## Replacing I-5 bridge will aid drivers, displace homeowners

Telling well his lower-income families hardest

By JERRY COLEMAN

Every worker, from construction, steel fabricators and those who produce the concrete and steel for the bridge, to the highway workers who will be paving the road, to the thousands of workers who will be building the bridge, to the thousands of workers who will be building the bridge...

## TITANS of NATURE

Springwater Trail High's Day of Service plants, mends at Main City Park

# Patriotism is being an informed reader.

Knowledge is power. And there's nothing more patriotic than supporting your hometown newspaper.

When it comes to being our communities' best sources for local news, you can count on our team of journalists to provide you with the important stories that affect you, your family, and your neighborhood.

Your support is critical to our ability to serve you. If you value having a local news source dedicated to creating stronger communities through local news, please subscribe and encourage your friends and neighbors to do the same.

With your support, we could do so much more to help make our communities stronger.
